DUTY SIX FOR THE MONTH OF JULY: BLUE SIX

(For more information read note 4 below)

- 1 Scouting is about being a family, for this reason we are making special meetings during the summer months. The meetings will be dedicated for only one six, where along with the leaders we can have fun, learn new things and enhance the scouting family spirit. So please read the title of activity to know for whom the special meeting is dedicated to. Cubs from other sixes cannot attend! Anyone who has problem regarding the date of his/her six please contact Akela. Note that the special meetings are 3 hours long so we advice to send some healthy snack and a drink with the cubs to eat.
- 2 Beach Meetings consist of the first 2 hours of a special watery Pack Meeting on the Xaghra side of Ramla. Afterwards the cubs' **Family and friends are invited to come over and join us**. We will then have a BBQ together, **the BBQ will be provided for free but you need to bring YOUR own meat and food ☺**. Anyone who wants to gather their children after the first 2 hours can do so, however we really wish to see you join the BBQ.
- 3 The duty six cubs are to report 15 minutes before to prepare the necessary things with Akela and clean the place of meeting. It is to instil responsibility to our Cubs.
